

# Establish a Person-Centered Culture

## Person-Centered Coaches are your PCT Skills Experts

A Person-Centered Coach specializes in:

- Providing quality assurance for Person-Centered Descriptions (PCDs) and effectively incorporating them into annual plans
- Training others to create and incorporate effective PCDs
- Assisting Person-Centered Thinking Training graduates to further develop their PCT skills
- Employing PCT skills within the organization when conflicts arise
- Empowering and assisting leadership to incorporate Person-Centered Thinking fundamentals into the services and future planning of the organization
- Weaving Person-Centeredness into the fabric and mindset of the agency

## Benefits of IntellectAbility's Person-Centered Coach Training

We are a full-service company offering training and credentialing for every role, with the goal to create fully person-centered organizations armed with the skills to assist people in living a life they love.

- Our Person-Centered Coach Training is tailored to your organization's needs to reach your desired culture-changing outcomes.
- The curriculum and training are developed and approved by The Learning Community for Person-Centered Practices (TLCPCP).
- We offer one year of PCT direct support after training is complete.

### Your Training Schedule At-A-Glance

- 6-8 Months
- You will meet with our Coach Mentor once a month and should expect 2-4 hours of homework per month.

### Requirements

- Completion of the Person-Centered Thinking Training Course
